Producer's Authority

Please refer to your producer's agreement for specifics on your binding authority.

Applications

All applications must be submitted on American Access Casualty Company (Company) approved forms. Applications should be submitted via the internet, facsimile or mail. The named insured must be at least 18 years of age. The Company reserves the right to cancel or reject any risk, in accordance with Texas laws.

Underwriting Rules and Regulations

1. Semi-annual and annual policy terms are acceptable. Up to eight vehicles may be included on a policy.
2. Liability and Full Coverage policies are acceptable.
3. Liability Coverage must be written for all vehicles.
4. Roadside Assistance and Rental Reimbursement Coverage are allowed with all coverage combinations on owner policies.
5. Rental Reimbursement Coverage requires a minimum of one rated driver age 18 or older with a valid driver's license.
6. Financial responsibility (FR) filings are acceptable only for drivers with Texas driver's license.
7. Any resident or member of the insured's household old enough to hold a driver's permit or license, whether licensed or not, must be rated or specifically excluded. If excluding a driver, our "Texas Named Driver Exclusion Endorsement" form must be completed and signed by the applicant.
8. All vehicles for which insurance is provided through the Company must be registered/titled to the named insured, a listed driver or an excluded driver residing in the insured's household.
9. Business use is acceptable for private passenger vehicles used in a sales, service or trade occupation. Vehicles must be titled in an individual's name. Please refer to page 11 for applicable surcharge.
10. Unacceptable risks will be surcharged 200%. The surcharge will be applied to Bodily Injury, Property Damage, Comprehensive and Collision coverages.
11. Named Non-Owner policies are written with the "Named Non-Owner Endorsement" form, and are not subject to policy or driver level surcharges/discounts.
12. The Company is not obligated to accept applications with vehicles for which it can find no make/model/symbol and/or value rating data in the system. At new business, vehicles with no rating data available in the AAXIS system (aains.com) will be rejected. On all other transactions, the unacceptable surcharge will apply to such vehicles.
13. Any policy previously in force with the Company, with no more than 60 days lapse, will maintain prior coverage and renewal discounts from the previous policy (American Access Prior Coverage Discount).

Business Use

A vehicle is considered used for business if any of its mileage is associated with a business, occupation, trade, profession, or commercial application (hereinafter "business use"). A surcharge will be applied to Bodily Injury, Property Damage, Medical Benefits, Comprehensive, and Collision coverages for any vehicle classified as business use. No coverage applies to damage sustained while vehicles are used for business use unless the Business Use Surcharge has been applied. Private passenger autos owned or leased by the applicant and used in their business or occupation, other than Artisan Risks or Unacceptable Vehicles described below, are acceptable. Vehicles, including pickups, vans and utility vehicles, used by sales and service representatives and real estate agents are acceptable for business use as long as no operator has a 50% surcharge resulting from accident/violation activity.

The Company reserves the right to expand the impacted area or duration as needed based on local conditions. Renewal Billing and Processing

Approximately 30 days prior to the expiration date of a policy, a renewal bill will be mailed to the insured's address shown on the Declarations Page.

Renewal premiums must be postmarked by the U.S. Post Office to us, or paid in person at a company authorized payment facility, prior to the expiration date shown on the renewal bill, in order for coverage to continue. Payments can also be made at www.aains.com.

Reinstatement Offer and Processing

1. A policy may be renewed or reinstated with no more than a 60 day lapse. A new application is required on the 61st day and discounts may be lost.
2. All reinstatements are done at the discretion of the Company.

Reinstatement is effective 12:01 A.M. the day after postmark date by the U.S. Post Office of mailing to us. If a reinstatement premium is paid in person, reinstatement is effective on the date and time payment is received by us.

Endorsements

On all policy terms, the Company may collect estimated premium in advance, or may bill the insured for additional premium due for an endorsement. Any difference due the Company or insured will be reflected in the next monthly billing.

If an insured does not renew a policy, or if an insured requests a refund for a policy expiring more than 30 days from the endorsement date, a refund will be mailed to the insured as soon as practicable.

Cancellations

1. Policies will be flat cancelled back to inception if a check is received as down payment on a new business policy and is not honored due to insufficient funds (NSF). A copy of the front and back of the check or a copy of the electronic transmission is required for processing. If a policy contains a financial responsibility filing, a flat cancellation is not allowed.
2. Cancellations, except cancellation for insufficient funds (NSF) checks, are calculated pro-rata.
3. In the event of a loss, your policy will continue until a request from the insured is received.

An insured requesting cancellation must return the original policy or request cancellation in writing. Cancellation becomes effective no sooner than 12:01 A.M. the day after postmark date by the U.S. Post Office of mailing to us, or the date and time of delivery to us in person.
