

NEWSFLASH

****Change of Vendor for Electronic Signatures!****

Effective 9/21/2018, American Access Casualty Company will be using a new E-Sign vendor in all States. All of the signature options will function the same way. The only difference is that prior to signing documents, the insured will have to accept an E-Sign disclosure and consent form. A training PowerPoint that demonstrates the change has been added to the portal under, 'Training Documents'.
