

## **Attention Illinois Agents:**

In a recent Supreme Court ruling it held that public policy prohibits a named driver exclusion with respect to the sole named insured. The opinion specifies that named driver exclusions are allowable in general and can even be used to exclude a spouse of a named insured, however, named driver exclusions cannot be used to preclude coverage for the *sole* named insured.

For your insured's that are affected by this ruling, American Access will be endorsing those policies by adding Driver #2 as a named insured.
