

Nevada Moratorium

American Access is mindful of COVID-19 and continues to closely monitor the situation. We understand that these are very difficult times and many of our customers may be facing financial challenges and we are here to help.

American Access has put into place a non-payment cancellation moratorium **effective 04/01/2020 through 05/31/2020**. Any Policy cancelled for non-payment, during this time-frame, will be reinstated and noted, accordingly. Premiums will be due once the moratorium is lifted. We will continue to monitor and reassess the situation.

We thank you for your continued business!
