

## **NEWSFLASH: Producer Dashboard Reports**

**August 12, 2010**

**As we continue to make doing business with us easier, effective Friday, August 13, we are upgrading the Non-Pay Cancel Dashboard and adding a new Underwriting Cancel Dashboard.**

**In addition to policies that are already in a cancelled status over the last 60 days, the Non-Pay Report will now include policies that are pending cancellation for the next 14 days.**

**The new Underwriting Cancel report will include policies that are cancelled over the last 60 days or pending cancel, as well as policies that have an open diary for an underwriting reason, such as a missing Driver Exclusion.**

**If you have any questions or do not have access to these reports please feel free to contact your underwriter directly or you can contact the Underwriting Department at 1-630-645-7777 or 1-888-663-5443.**

**Sincerely,**

**American Access Casualty Company**
